To Whom It May Concern

It's a pleasure to write for mehedi hasan Son of svdsdvs and Yousuf Ali Mridha of Vill/Area :fnghmgf, Post: dfhg, P.S.: fdgh, District: fhgf of Bangladesh. He has been known to me since 12-Nov-2022 as my student in this institution. I had sufficient opportunities during the period with {pPronoun} to assess as my student and as an individual.

I found mehedi intelligent, time-bound, team-oriented, and achievement-oriented. He seems to be quite good in analytical and technical skills, and sincere in access to state-of-the-art information about the latest issues. mehedi has a good academic score in secondary (SSC) and higher secondary (HSC) level of education (SSC: 5 GPA, and HSC: 5 GPA).

He has also proven to have excellent academic performance and research skills in the concerned (hfgh) program as resulted in the academic records. mehedi has obtained CGPA {CGPA in concerned program} out of 4.00 in the hfgh program of the Bangabandhu Sheikh Mujibur Rahman Science and Technology University of this University. his student number is 19cse022.

In the fghf (hfgh) program, the medium of instruction is in English.

To the best of my knowledge mehedi did not take part in any activity subversive to state or of discipline. I wish his every success in life.

Sincerely,

21-Dec-2022
